

Annex C

Discretionary conditions commonly attached to licences

Discretionary conditions must not conflict with the mandatory conditions giving effect to the conservation measures in section 1A of the Act. But these conditions can complement them if the local authority believes they are necessary to ensure the proper conduct of the zoo.

Insurance

1. Within one month of the date of the licence and one month of the date of renewal of the policy, where applicable, a copy of the zoo's current public liability insurance policy, and of subsequent renewals thereof, to be sent to the licensing authority.

Hazardous Animals

2. The licensing authority to be notified in writing, at least one month in advance, of the proposed addition of any animal listed in category 1 of the Hazardous Animal Categorisation (see Appendix 12 of the Secretary of State's Standards of Modern Zoo Practice), which is from a taxonomic family of which Category 1 species have not previously been kept in the zoo.

Temporary Removal of Animals from the Zoo

3. The licensee/s to notify the licensing authority before the temporary removal from the zoo (other than for veterinary attention or inter-zoo movements) of any animal listed in category 1 of the Hazardous Animal Categorisation of Secretary of State's Standards of Modern Zoo Practice. Such notification to be given as early as possible and, in any case, no later than 12 hours before the removal, unless the zoo operator and licensing authority mutually agree a shorter period. When giving notification, details of the destination and method of transportation of the animal and of the arrangements for its well-being, as well as for the safety of the public whilst it is away from the zoo, to be provided.

Escapes

4. In the event of any non-domestic animal escaping from the confines of the zoo, notification shall be made to the licensing authority as soon as possible, and, in any case, not later than 24 hours following the escape.

Stock Records

5. An annual stocklist of all animals must be kept and a copy must be forwarded to the local authority no later than 1 April of the year following that to which it relates and the stock list must include the information and in the format indicated in Section 9.5 of the Secretary of State's Standards of Modern Zoo Practice (September 2004).

Note 1. These conditions are attached to the licence without prejudice to the application, where relevant, of the Secretary of State's Standards of Modern Zoo Practice specified in accordance powers conferred under section 9 of the Zoo Licensing Act 1981 (as amended).

Note 2. The grant of this licence does not imply that the requirements of any other legislation have been met.
